# Wanborns Plastic Toys Series

WANBORNS is a baby toys brand derived from Europe. Always carry the idea of "Make with heart , just for care." Converge the design R & D team from multi european countries Integrates the product development concepts of nature, science and education Focus on producing the environmentally friendly and safe toys for the worldwide childrens of 0~6 year old Since the brand founded, it has been trusted and loved by parents all over the world, and the products have been sold well in many European and American countries and regions

- EN71
- GS
- TOYSPROOF
- ASTM F963

**THE PRODUCTS PASS THE INTERNATIONAL TESTING STANDARDS**

### **Lighting and Music Effects Real atmosphere and endless fun**

Pressing the roof button can produce simulated sound effects and cool lighting effects More attractive to babies' attention and enhances their hands-on ability

### **Colorful color matching, cultivating color cognition from an early age**

Vibrant color combinations help children identify and perceive colors Improve the ability to distinguish and recognize colors

### **THE PLASTIC ARE ALL USED ABS MATERIALS SAFE AND BROKEN RESISTANT**

The products are used strong high quality ABS and natural solid woods materials Comfortable feel without any burr, high quality design and thick materials.

# EARLY EDUCATION & ENLIGHTENMENT

Start The Multi-dimensional  
Talent Cultivation
